We are also happy to announce that we will be accepting applications from children in our surrounding towns. The Summer Program will be catered to children entering Kindergarten through 6th Grade ONLY (for quality one-on-one instruction).

*So, it is with great excitement that we invite your child to join us for our summer program. We will have an action-packed program lined up this year that is sure to energize your child with a strong interest in learning, creativity and exploration.*

Classes will include Arts & Crafts, Science & Nature, Sports & Games. Events scheduled during this time will be announced at a later date.
