Come join our team locally here through the Sullivan County RSVP AmeriCorps AARP Income Tax Aide Program, while also joining the largest volunteer-run tax preparation and assistance service nationally. You will receive training and support, learn new skills and feel great while helping others.

As a Volunteer, you can:

Help Prepare Tax returns ~ while directly working with taxpayers to help them prepare their tax returns.

Organize and Support ~ greet people, provide technical support, help organize, recruit volunteers, translate and more.

Join a Community ~ Become part of a family who truly care about their community

Have Fun & Make Friends ~ Have fun and feel good knowing you can help make a positive impact on someone's financial well-being.

**Volunteer Roles:**

**Client Facilitator – Program Tax Aide** – You will help taxpayers feel welcome and at ease by greeting them, gathering and organizing their paperwork, and describing the tax preparation process. Help ease the stress of tax season for older adults and low to moderate income families.

**Tax Counselor – Program Tax Aide** – You will help taxpayers of all ages with low to moderate income prepare and file their tax returns online, providing them with deductions they may have missed and the refunds they deserve. Your assistance will help relieve the burden and stress of their doing their own taxes. Experience is not necessary; we will provide training and IRS certification.
