

## Sullivan County COVID-19 Vaccine Notification

Sullivan County Public Health Services has scheduled a COVID-19 Vaccination Clinic for anyone who works or lives in New York State, aged 18 and older, to receive the first dose of the Moderna vaccine.

The clinic will be held at the South Fallsburg Youth and Senior Center, 12 Laurel Avenue, South Fallsburg, NY, on Thursday, April 29, 2021. To register for this clinic, go to <https://tinyurl.com/p45z43j7>.

Walk-ins will be accepted, but to be guaranteed a shot, you should pre-register. DO NOT SIGN UP FOR MORE THAN ONE APPOINTMENT PER INDIVIDUAL. Registrants are required to bring proof of their eligibility on the day of the Clinic - for example, a driver's license for a NYS resident, or a work ID for a non-NYS resident.

If you do not have access to a computer or you live within 10 miles of the site and need transportation, please call 845-807-0925 no later than Wednesday, April 28 to be assisted. This line is answered during normal business hours, but all messages will be returned.

Vaccine doses are limited, so you are encouraged to register as soon as you receive this message. The registration page will close once all appointments have been taken.
