

Sullivan County COVID-19 Vaccine Notification

COVID-19 Vaccines are currently available for members of priority groups Phase 1a and Phase 1b through Middletown Medical. An estimated 200 doses of the vaccine are currently in stock.

These vaccines will be distributed through specified vaccination sites in Liberty and in Middletown on Friday, March 26th, 2021, Saturday March 27th, 2021, and Monday March 29th, 2021.

Registration for these vaccines is currently provided via an online form on Middletown Medical's website at <https://middletown.bridgelive.net/covidvaccineregistration>

For more information regarding the COVID-19 vaccine, visit the official CDC information page at <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/index.html>
